

- In 2002, CAEM completed the [DISCO of the Future Forum](#). DISCO was a one year effort by more than 50 public and private organizations to develop a blueprint for distribution companies in the new competitive paradigm.
- CAEM completed the [Grid Enhancement Forum](#), an effort by 35 public and private organizations to identify technologies that could allow the existing grid to be used more productively.
- CAEM and Navigant Consulting have collaborated on the [Customer Care Research Consortium](#).
- CAEM is nearing completion of the [Default Policy Forum](#)
- CAEM recently issued a [rebuttal](#) to the Cato Institute study recommending a return to monopoly regulation.
- CAEM has completed the following studies and comments:

- [California Here We Come: An Estimate of the Benefits of Natural Gas Restructuring](#)
- [Cried Because I Had No Shoes: A Report on Ontario Price Caps](#)
- [Comments to FTC on Request by Congressman Tauzin](#)
- [An Estimate of Benefits of Competition in PJM](#)
- [Resource Adequacy and the Cost of Reliability: The Impact of Alternative Policy Approaches on Customers and Electric Market Participants.](#)

See CAEM's website, [www.caem.org](http://www.caem.org), for copies of these reports.

### **How to Join the Advisory Committee**

Contact Gary Clouser at [gclouser@caem.org](mailto:gclouser@caem.org) or by calling 618-288-6211 if you are interested in joining the Advisory Committee for this project.
